The Lepers Act, 1898.

No. 983- In exercise of the powers conferred by section 3 of the Lepers Act, 1898 (XII of 1898) the Government of Bombay is pleased to specify the following local areas as areas from which lepers may be sent to the Acworth Leper Asylum at Mahuuga, Bombay, namely:-

(Here specify the local areas).

By order of the Governor of Bombay,

Joint Secretary to Government

A revised draft notification is sent herewith.

2. Section 3 of the Lepers Act, 1898 (III of 1898) inter alia provides that the Provincial Government may by notification appoint any place to be a leper asylum and may by like notification, specify the local areas from which lepers may be sent to such asylum. Under Government notifications, General Department Nos. 4374, dated 18th July 1911, No. 3662, dated 24th May 1916 and No. 2378, dated 3rd April 1918 (vide pages 255-56 of Volume II of Local Rules and Orders) the Acwarth Leper Asylum at Matunga has been appointed as a leper asylum under section 3 of the Act. It is, therefore, not necessary to appoint it again as a leper asylum under section 3 of the Act. The provision to that effect has therefore been omitted in the revised draft notification.

3. Under section 3 it is necessary to specify the local areas from which lepers may be sent to a leper asylum. The local areas to which the Act has been applied under section 1(4), other than those which are already specified (e.g. in Government Notification, General Department No. 4374, dated 18th July 1911), should be specified at the place marked in the revised draft notification.

4. The draft Government Resolution on page 2, as slightly amended, is legally in order.
